Draft of OSI History

This will acknowledge with thanks receipt of draft of OSI History in duplicate. I note that certain charts are being prepared and will come forward in approximately ten days.

25X1A I had the pleasure of reading this report rapidly in the office of [REDACTED] and thought it admirably prepared.
25X1A I will now go over it again with more care and take up with [REDACTED] any matters which might perhaps require further elucidation.
